MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical
Report for DECEMBER 1969

1. The attached tables reflect some of the activities of certain components of the Office of Security during December 1969.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The overall processing time for an applicant case increased from 83 days in November 1969 to 95 days for the past month. Analysis of the factors involved reflects that the investigative field time increased from 72 days in November to 84 days in December while SR&CD processing time remained constant at 3 days as did Personnel Security Division time at 8 days.

4. The field investigative time increase is caused primarily by two resulting in a larger than normal backlog of untyped reports and the resulting deleterious effect upon closing cases, together with the inability to cancel or curtail investigations as a result of untyped liaison reports from other Government agencies.
